Club Secretaries

Do you have dates to fill in your programme? If so, then perhaps Gloucester Film Makers may be able to help.

We have a large and varied selection of our own films available for your entertainment. These include local archive films dating from the 1920's up to the 1970's, plus films made here in Gloucester and worldwide by our members.

To date over 4,000 people have seen our films and we have many repeat bookings. We are available morning, afternoon and evening.

Programme length can be varied to suit your needs, but normally range from 30 to 60 minutes.

All equipment is provided by us, so you can sit back, relax and leave the rest to us.

For further information please contact our Secretary John Greene on 01452 531838.
